Dear Mrs. Manley:

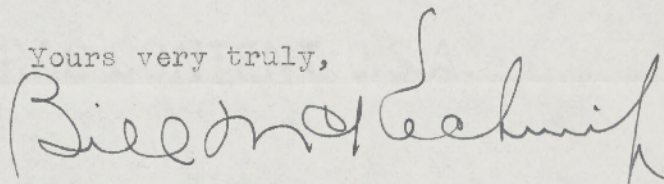

This will acknowledge your nice letter of January 30th.

I see no reason why we cannot have the Eagles play several games in Trenton this season and I think that we may be deservedly optimistic about the coming season as far as attendance is concerned. Our own schedule is not yet completed but probably will be so within a few weeks and I shall write you then to discuss suitable dates for your games in Trenton. I should appreciate knowing when you are returning north from training in the event that we could arrange a pre-season exhibition game between our clubs in Trenton.

About the bill you owe us, I have to say that I have completely forgotten it. The only thing I can recall is an order for bats that we placed for you and if that is the thing you refer to I cannot recall how many there were ordered. If you will be so good as to refresh my memory on this I can avoid a trip to New York to go over our records where they are now kept.

Best wishes.

Yours very truly,

Wm. B. McKechnie, Jr.
